Life after PADS for one of our Army veterans

Roy, a 67-year old veteran showed up at the Ottawa shelter on September 4th. Roy and the Ottawa PADS staff got right to work. In less than thirty days, among other things, he was able to obtain a social security card, driver's license, sign up for benefits, attended classes and acquired new life skills, and saved up funds to purchase a car. Most importantly, on September 27th less than 30 days later, Roy signed the lease to his very own apartment.

Roy was quite busy moving a box truck of furniture for his new home that was provided by Lily PADS Too.

Welcome home Roy and thank you for your service.

Kids kindness put in action!

Wanting to help, Payton Etscheid and Raegan Rodriguez took it upon themselves to set up a lemonade stand, where they sold lemonade and their homemade bracelets to benefit our **Ottawa PADS**. After working hard and raising some funds, they decided to use the money to throw a pizza party for our shelter guests.

"She [Raegan] was a little fearful of coming to the shelter to serve dinner at first, but she said that she felt so good about herself afterwards since she got to see firsthand how she was able to make a difference." shared Raegan's mother.

Payton and Raegan have helped today and offered us all hope for tomorrow through their kind deed. Check out the pictures of these amazing entrepreneurs and along with a sampling of their homemade bracelets.

Sharing in just a very few of our “feel-good” stories provided by generous donors and our community. We are thankful for each and every donation that makes our mission possible.

Together ... we provide shelter, food, and services to the homeless. **Together ... we provide HOPE.**

The **UAW Region 4** has been a giving and consistent friend of IV PADS. We have again been blessed to be a beneficiary of their golf outing. Much work and support from their members go into the raising of funds.

“UAW members pledge to support each other, they do not mean just fellow UAW members. The sense of brotherhood and sisterhood is not only about working conditions, fair wages and benefits for UAW members — it’s about supporting the whole community, ensuring healthy lives and doing our part as a family of people creating rewarding lives in this country and

Sunrise Rotary called Carol Alcorn, our executive director, to ask her for an IV PADS donation wish list. After much consideration, the Rotary provided the funds for a new stove, locking filing cabinets for safe medical storage, and a computer for client training skills.

Thank you **Heartland Bank** for stopping by our Peru shelter as you showed your support of the community.

Thank you **Elks Oglesby Lodge 2360**. They quickly responded to our need for a new washer.

After learning of the unsafe condition of the Ottawa shelter’s oven, the Ottawa Knights of Columbus immediately took up a collection and raised funds to have a new oven delivered right to our shelter. Thank you for providing a much-needed new oven as we serve three meals a day for our shelter clients.

Community gives and we are THANKFUL ... IV PADS has an account with Handy Foods in Ottawa which we use for emergency food and supplies. Amazingly, we have not had to pay on that account in the past two years in spite of numerous purchases. **Our account has been continually and anonymously funded.** All purchases have been paid ... and we are sitting comfortably with over \$700 of credit on this account.

THESE ARE JUST SOME OF THE STORIES OF OUR GENEROUS DONORS. Please check out our social media pages as we get a chance to recognize and thank the many friends of Illinois Valley PADS. We are truly thankful and blessed to be in such a kind and generous community. Thank you to all the friends of IV PADS.

The homeless population is on the rise in the Illinois Valley. At the start of the 2022-2023 season (August 15, 2022 – July 31, 2023), we have already seen an astounding increase in shelter client needs. Regretfully, these numbers are on target to significantly increase.
