

what legacy will you build?

Do you believe our community should provide emergency housing and opportunities for men, women, and children in need?

Does your heart tell you there is no room for homelessness and despair when you have the power to make a difference?

Do you believe every person who enters the doors of Illinois Valley PADS (IV PADS) deserves shelter, dignity and compassion?

Your planned gift is more than generosity –it's a lasting reflection of your values and the causes closest to your heart

Bequests

The simplest and most common planned gift is a bequest in your will. You can leave a specific amount, a percentage of your estate, or a particular asset. IV PADS can also be named as a contingent beneficiary.

With thoughtful planning, you can leave a lasting legacy through IV PADS.

Real Estate

You can deed your home, vacation property, or condominium to IV PADS while retaining the right to live in it or receive income from it for life. A life estate gift can reduce capital gains, inheritance, and estate taxes, and may also provide an income tax deduction.

Life Income Gifts

Gifts such as a charitable gift annuity, a charitable remainder trust, or a pooled income fund provide you and/or your designated beneficiary income for life. Upon your passing, IV PADS can receive the gift. Life income gifts generally reduce or eliminate certain taxes and guarantee an income for life.

Investment Assets

Gifts of stocks, bonds, and mutual funds may provide significant tax advantages and can be given during your lifetime or in your will.

Life Insurance

IV PADS can be named as the sole, partial or contingent beneficiary of a policy. This may translate into a large gift (and tax deduction) with little cost to you.

Retirement Plans

You can name IV PADS as a beneficiary of your pension, 401k, 403b, IRA or other retirement plans. This gift could be the most cost-effective that you can make, because you avoid the possible double taxation on retirement plan assets left to your heirs.
